

# Batting Cage COVID Plan

**Sanitization Tables:**

Players/ Coaches MUST sanitize each time before entering and exiting the "Development Area" as well as entering and before exiting the facility.

**Player Entrance:**

Players MUST enter right through the Development Area to the Player Area to set up bags in personal space.

Must sanitize before entering back into Development Area

**\*NOTE\*** netting must be moved to outside wall in Cage #1 prior to players entering with personal equipment at start of session.

**Player Area:**

Players are designated a marked off area for personal equipment

**Maximum 8 Players & 2 Coaches at a time in cages**

**10 MAX Capacity**

**ALL equipment must be sanitized after each use**

**15 Minute gap between sessions for sanitization**
